

Open cooling towers

Options and accessories

Platforms

Platforms facilitate **easier** and **safer access** to the **top level** of the unit, making inspection and maintenance easier and conforming to European safety standards.

Installed platforms

- help you comply with local safety regulations
- prevent accidental risks during inspection and maintenance of your cooling tower
- facilitate the inspection and maintenance of your cooling tower

Keen to install platforms on your cooling tower? Contact your [local BAC representative](#) for more detailed cooling tower platform specifications.
